

# Matthew Hoffman - 467 Journal

**9/6/16 - 9am - 9:30am**

Met as a group to discuss the Prospectus and ideas for the project. Created the GitHub repository and assigned tasks. Emailed the icebreaker paragraph.

**9/6/16 - 6pm - 7:15pm**

Created journal and logged first hours. Created and added features to the product backlog. Various other tweaks to shared Google Drive and GitHub files.
